Making It HAPPEN

Most people agree that if you want something strongly enough, you often times have to do everything in your power to make it happen.

For any major event to take place, someone must carefully plan every detail. For example, Student Council sponsors homecoming ceremonies, canned food drive and Little 500 in which many students participate. Likewise OEA carries out the Semi-formal and Superstars activities. Planning, preparation, and hard work by organizations and individuals are making it happen at GHS.

Striving to achieve the best grades possible, students prepare for the future with their academic studies. Helping others to succeed, teachers and administrators work together with students, *Making It Happen.*

SUMMER TIME

Fun 'n' jobs

Summer found GHS students involved in both work and play. Part-time jobs provided cash for vacations and other activities.

In June Campus Life sponsored a three-day trip to King's Island and weekly volleyball games for 13 surrounding schools. A trip to Michigan for ice cream and a swimming party at Jodi Porter's highlighted Campus Life's August curriculum.

Seniors Mark Claxton, Todd Sattison, Patty Emigh, and Candy Kogin attended Indiana Hoosier Boys'/Girls' State in Terre Haute in June.

Driver's Education occupied several hours a day during June and July for more than 100 students. "It took up a lot of my time, but I got to see my friends, and I enjoyed driving," explained sophomore Lauri Conkle.

Some students have fond memories of family vacations from coast to coast. Junior Shelly Lantz commented, "I spent my days working or laying out, and my nights out with my friends. I went to King's Island, Cedar Point, and waterskiing in Michigan. But the most memorable trip I made was with my family to Myrtle Beach, South Carolina."

Jay Lepley visited his dad in California. "I saw Los Angeles, Beverly Hills, and Hollywood. I attended a basketball camp where I saw Magic Johnson, and I went into Tijuana, Mexico. It was an experience of a lifetime."

During Garrett Days, students participated in activities sponsored by Garrett Merchants. A lip synch contest, cheerleading competition, and a parade filled the three-day festival.

Ready for school, students returned Aug. 23 after a summer of fun.

FOOTBALL HOMECOMING

Baughman, Bodey crowned

"The 1987 football homecoming king and queen are . . . king Lance Baughman and queen Tammy Bodey!" rang over Memorial Field as the royal couple was announced.

Homecoming festivities began on Monday, Sept. 21, with spirit week's pajama day. Other spirit days were 50's-60's, hat and sunglasses, mourning, and maroon and blue. On Wednesday night student council sponsored the annual snake dance.

Each class worked during the week with the anticipation for a first place car. The class of 1991 won the Best Decorated Car award. Student council secretary Heidi Knott presented the award to the freshman class.

Homecoming ceremonies began with a parade which processed from Yoder Ford to the football field. The parade was led by the police and fire departments along with last year's homecoming king and queen, Todd Warstler and Mary Kay Feagler.

Only a Railroader loss to East Noble marred the festivities.

Tammy Davidson, Miss Garrett, and Bethann Boltz, first runner-up, were contestants in the 1987 Miss DeKalb County Pageant.

Garrett Campus Life members supported Tammy and Bethann in the Queen's parade by riding in a support car behind the contestants.

More than 30 GHS students entered exhibits in 4-H competition. GHS winners were Heidi Knott, Troy Richmond, Mark Thrush, Greg Thrush, Joni Christlieb, Phil Lemper, Beth Lemper, Sam Malcolm, Dee Dee Holbrook, Dan Holbrook, Julie Malcolm, and Ron Sarrazine.

SEMI-FORMAL

Night filled with romance

Romance filled the air when the Office Education Association sponsored its traditional Semi-Formal Nov. 14 in the J.E. Ober Auditorium.

Chairman Stephanie Rugman and other OEA members worked many hours to transform the auditorium into a picturesque setting to carry out the theme, "Is This Love?" Colors were red and silver.

Approximately 200 Garrett High School students and guests danced to the music of Tony Curtland and Brad Babbitt.

Lisa Woehnker was crowned OEA Semi-Formal queen. Other members of the court included Bobbie Coyer, Dawndi Rayle, Anita Sims, Robin Clauss, Sally Hile, Rachelle Lewis, and Monica Howard.

BB HOMECOMING
"Magical Night"

Five hours of cutting, pasting, and blowing up balloons resulted in the theme, "One Magical Night in '88," for basketball homecoming. "It was hard work, but our efforts paid off when we saw the crowd's admiring response to our decorations," explained junior class Student Council representative Lori Hunter.

At halftime of the Columbia City game, 10 seniors anxiously waited as Teresa Wiant, Student Council vice-president, announced homecoming king and queen.

Deb Smurr was crowned and presented six long-stemmed roses while John Cordray, a stand-in for varsity basketball player Butch Johnson, accepted a plaque in the shape of a train. Homecoming king Butch Johnson commented, "I think the idea of stand-ins is good because it gives athletes a chance to participate in homecoming ceremonies."

Other members of the court were Emily Tuttle, Joel Haynes, Dyane Quinn, Tom O'Connor, Lisa Grotrian, Brian Vanderbosch, Denise Bush, and Todd Sattison.

Homecoming was a week-long event as streamers and posters filled the halls. Nerd day, toga day, maroon and blue day, and crazy day were among the activities that made 1988 basketball homecoming a memorable occasion.

CAMPUS LIFE
Fellowship 'n' Fun

Garrett's Campus Life club began its yearly activities with a get together at senior Jodi Porter's house in early September.

The next big activity for Campus Life was a burger bash in Kendallville. Members from all 12 area schools affiliated with Northeast Indiana Youth For Christ/Campus Life attended the bash.

Again the Mouse Hole brought fellowship and fun to those who showed up at this popular spot at the DeKalb County Fair. Santa Fe was the featured Christian rock group at the Mouse Hole.

Activities which attracted a good turn out were the Lock-In, Ski Fling, and the Florida Breakaway.

Miss Campus Life for Garrett was Michelle Anderson, and her campaign manager was Lisa Albright. With the help of club members Michelle and Lisa were able to raise more than $1000 for area Campus Life.

LITTLE 500

Weather perfect

Beautiful weather once again added to the success of the Little 500, Friday, May 6.

Little 500 saw a change in '88. Competition was taken out of events. Students participated in traditional events such as tug-of-war, softball, powder puff football, pie-eating contest, and Litle 500 race. Added to the list were four new events — balloon hug, bubble-blowing, belching contest, and skin the snake.

Not so traditional was the replacement of Kiss-the-Pig with the new Pie-in-the-Face election. The "lucky winner" of this honor was senior Heidi Knott.

Clubs earned money with the sale of food and drink items as students enjoyed the hot afternoon.

Wrapping up the festivities was the Little 500 dance sponsored by OEA in the Ober Auditorium that evening.

At 9 p.m. toastmaster and junior class president Jason O'Connor opened the program with the welcome. Senior class president Todd Sattison gave the response. Door prizes were then awarded.

Prom court was introduced at 10 o'clock; Amy Simon and Jason O'Connor were crowned prom king and queen. Amy was presented a crown and a dozen roses by Deb Smurr, 1987 prom queen. Jason received a plaque from his brother, Tom O'Connor, last year's prom king.

Other members of the court were juniors Stephanie Rugman, Nicole Pinnington, Tracy Richmond, Jeff Muzzillo, Doug Mossberger, and Jerry Egolf.

GRADUATION DAY

87 seniors earn diplomas

Senior Awards Night took place Friday, May 20, in the Paul Bateman gymnasium. The 104th graduating class of GHS was honored at the ceremony in which Mr. Ronald Weimer and Mr. Barrie Fleetwood were masters of ceremonies.

Valedictorian Dyane Quinn and salutatorian Jill Relue received awards from Principal Gaylord Toll. Lisa Grotrian and Troy Gibson won Citizenship Awards and Deb Smurr and Matt Warstler were given American Youth Foundation Awards. Numerous scholarships and other awards were presented to the Class of '88.

Eighty-seven seniors received diplomas under sunny skies on the football field Sunday, May 22, in Garrett's first outdoor graduation exercises.

Jonathon Lepley began the ceremony with an invocation, followed by Todd Sattison's welcome in which he said, "I would especially like to welcome and thank those parents who saw fit to send this class to one of the best schools in Indiana."

Next, Mr. Gary Gerke directed the high school and junior high choirs in "You'll Never Walk Alone" and "Friends" by Michael W. Smith.

Jill Relue gave the salutatory address saying, "Today is a beginning and an end. It is the end of 12 years of learning and the beginning of a completely different way of life."

Valedictory address was presented by Dyane Quinn, who said, "We are fresh and new in this world. We have to find our own identity, not impersonate others who have preceded us.

"Our teachers have taught us to discover the skills we never knew we held within ourselves. We must now utilize these skills as individuals in our own unique way."

FADS 'N' FASHION

Changing scene

Fads and fashions come and go. Clothing and hairstyles, music, and movies see their days in the spotlight and gradually fade from the scene. GHS students were asked, "What is 'in' for '87-'88?" Here were some of their responses . . .

Mark Claxton — Playing euchre, long hair, heavy metal music, and the Band Room Boys.

Jim Molargik — Painted wrestling shoes, frosted jeans, Bugle Boys, new wave, and cowboy boots.

Greg Pinckney — Boat shoes, baggy jeans, and funky shades.

Shelly Lantz — Leather bomber jackets, *The Lost Boys*, mini-skirts, and Mercedes emblems.

Beth Lemper — Jean jackets, turtle necks, and Guess jeans.

Jill Engel — Wonder Twin rings, *Good Morning Viet Nam*, and banana clips.

Jamie Witherspoon — tie dye, colored denim, and non-prescription colored framed eyeglasses.

Michele Baker— Swatches, bright colored hi-top gym shoes, and bows for the hair.

Amy Simon — Combat boots, finger watches, cropped sweaters, and poofed skirts.

CURRENT EVENTS

North takes stand

As Iran-contra hearings dominated public television viewing from early September through November, Oliver North and John Poindexter became household names.

The popular phrase, "I was authorized to do everything that I did," became cliche as Lieutenant Colonel North took the stand on Capitol Hill.

An appointment to the Supreme Court was made after several nominations were denied.

Among those denied the nomination was Judge Robert Bork, condemned by many for his views on such controversial subjects as abortion and the death penalty.

The final decision made in December appointed George Kennedy to the Supreme Court.

In October Wall Street saw its biggest crash since the dismal crash of 1929. Prices plunged so rapidly that experts feared the stock market would be completely wiped out.

Panic stricken, all the brokers could do was wonder, "Will this cause another depression?" In one day more than $500 million vanished into thin air.

Reagan and Gorbachev met for a summit in Washington, D.C., where controversies over Reagan's proposed Star Wars and the removal of intermediate and short range missiles were discussed.

In the final draft of a 169-page treaty signed by both the United States and Russia, the U.S. agreed to give up 436 warheads, while the Soviets gave up 1,575 warheads.

Celebrations took place all across the country to honor the 200-year anniversary of the United States Constitution.

Super Bowl Sunday left the Washington Redskins with a 42-10 victory over the Denver Broncos.

On February 7 millions of sports fans sat "glued to the tube" to watch Super Bowl XXII in which Doug Williams of the Washington Redskins became the first black quarterback in Super Bowl history.

A poem for seniors

I Have to Live With Myself

I have to live with myself and so
I want to be fit for myself to know.
I want to be able as days go by
To look myself straight in the eye.
I don't want to stand with the setting sun
And hate myself for the things I've done,
And I don't want to hide on a closet shelf
A lot of secrets about myself.

And fool myself as I come and go
Into thinking that no one else will know
The kind of man I really am
I don't want to dress myself up in a sham!

I want to stand with my head erect,
I want to deserve all men's respect.
And in this struggle for fame and wealth,
I just want to be able to like myself.
I don't want to look at myself and know
That I am all bluff and blunder and empty show.
I cannot hide myself from me.
I see what others can never see.

I know what others can never know.
I cannot fool myself, and so
Whatever happens I just want to be
Self-respecting and conscious free.
Happiness is the most important thing in life.

Board handles personnel changes

Garrett-Keyser-Butler School Corporation experienced changes in top administrative personnel during the 1987-88 school year and laid solid groundwork for building new facilities within the next two years.

Mr. Kermit D. Weddell retired in December, 1987, after nine and a half years as G-K-B superintendent. Mr. Weddell served as teacher and administrator in public schools for 39 years. Alan C. Middleton, who succeeded Mr. Weddell, assumed his duties as superintendent in November, 1987.

After 38 years of dedicated service as teacher/administrator in Indiana public schools, Mr. Gaylord N. Toll announced his retirement effective July, 1988. Mr. Toll served as principal of Garrett Junior/Senior High School from 1979 to 1988.

Another retiree, Mrs. Becky K. Derrow, junior high counselor, ended a 30-year career in education at the close of the 1987-88 school year. She taught two years in Michigan, two years in Auburn, nine years in the Ober Elementary kindergarten program, and was Ober elementary counselor for six years before serving 11 years as a counselor at GHS.

Plans for the addition of a new auditorium and auxiliary gym look bright although architectural plans experienced delays in 1987-88. Target date for completing the proposed addition is spring of 1990.

Next year will find Garrett students attending school for 180 days instead of 175 with teachers in attendance for 185 days rather than 180. This addition of five days to the school year by the state of Indiana caused much concern and discussion in 1987-88 and resulted in a shorter Christmas break being scheduled in the G-K-B school calendar for 1988-89.

New classes begin

Physical Education Department offered a weight training class for girls only, taught by new staff member Miss Emily Spiteri.

In the new Fitness for Life class, students took field trips to the YMCA in Auburn and the bowling alley. As Mr. Dave Wiant, head of the Physical Education/Health Department, explained, "The new course was a success. We had so many students sign up for it that next year we are limiting it to seniors only."

Guest speaker Dr. Douglas Morrow visited Miss Cheryl Peters' health classes to discuss eye care.

Language Arts classes took numerous field trips throughout the year. Seventy-five Spanish students attended a performance of "Don Quixote de la Mancha" sponsored by the National Theater of the Performing Arts at Wayne High School.

In March students from German and Spanish classes participated in the Foreign Language Festival at Indiana/ Purdue University in Ft. Wayne. Students received ribbons for individual competition victories, and Mrs. Shirley Wallace's third year Spanish class won first place in the overall Arts and Crafts division for their replica of a Mexican village, "San Marcos."

Mrs. Meg Eastes' senior English classes took a field trip to the Allen County Public Library for research purposes.

Two double disk drive Apple IIE computers and an Imagewriter letter quality printer were purchased for use primarily in the journalism program.

Miss Spiteri, new P.E. faculty member, also taught three English 10 courses during the first semester and two English 10 courses second semester.

Mrs. Bonnie Miles, head of Language Arts Department said, "Because four years of English are now required for graduation rather than three and in an attempt to lower the student/teacher ratio in all English and math classes, a new faculty member will be added in 1988-89 to teach English and math.

"Also the Language Arts Department sees the need for a course to prepare college-bound students for taking the SAT."

Media Center purchased a new computer system and three overhead projectors. "Also the library is constantly updating its collection with new titles in all areas of fiction and reference materials," Mr. Robert Novy, head of Media Center/Audio-Visual Department, explained.

"The goal of our department," Mr. Novy said, " is to provide students and staff with the best possible in library and media services."

They were then eligible to go to the state competition in Indianapolis. There they became Garrett's first academic bowl team to win a state title. Members of the team included Jill Relue, Gary Gorrell, Beth Lemper, and Kalvin McBride.

Seniors who scored above 550 on the SAT math test received a plaque on Senior Awards Night. The plaques were donated by the Garrett State Bank.

New Apple IIe computers were purchased and delivered this year for the 1988-89 school year. According to math department head, Mr. David Neal, the approximate cost of the new computers was $20,000.

The Science Department purchased a new ionizing device at a cost of $350. They also acquired some physical science lens magnets.

The Fine Arts Department gave senior band awards to Joe Carlin, Mark Claxton, and John Cordray. Mark also received the Louie Armstrong award.

Band purchased snares, quads, and two bass drums, and 25 new uniforms valued at $7,000.

In the department's annual Art Show, junior Valerie Lung received the $50 purchase prize for her painting, entitled "Ladies In Waiting."

STUDYING FOR A TEST, sophomore Michelle Kearns reviews her notes while Andrea Fields reads the chapter in Mr. Alan Hunter's physical science class.

GEOMETRY TEACHER Mrs. Suzon Baker helps sophomore Todd Kobiela with an assignment during study time.

COMPLETING A LAB in Mr. James Hecksel's science class, sophomores Scott Firestone and Jeff Brown make the necessary measurements.

Under the direction of Mr. Richard Smith, a new addition to Garrett's staff in 1988, 17 students completed the house located at 2017 Maple Lane in Woodview Estates.

Other classes and students involved included Mrs. Barbara Olin's housing class who planned and decorated the interior of the home.

Two members of Mr. Robert Ewing's vocational drafting class—Brian Vanderbosch, assisted by Denise Bush—prepared plans from an original design by Colonial Homes.

Mr. Andrew Giegold's taxidermy and 8th grade agriculture classes, as well as Mrs. Rosemary McConnell's Occupational Experience Lab, aided in the completion of the home.

Plans are underway to purchase a computer for foods classes and a new dishwasher. Mrs. Margaret Rice commented, "I would like to see culinary arts offered for two semesters in the future."

LISTENING CAREFULLY to Mr. Gerke's instructions, students from Mrs. Becky Fekete's Special Education class enjoy their time in choir.

AS STUDENTS GIVE him their attention, Mr. Larry Stomm lectures to his last period Accounting I class.

Computers acquired

Business Department acquired two computers and three printers valued at $2700 and adopted new books for the 1988-89 school year. Committee members included Mrs. Billy Tuttle, Mrs. Mary Wolf, Mrs. Debbie Teixeria, Mrs. Janet Getts, Mr. Matt Beerbower, Mr. Rick Kirkton, and Mr. Larry Stomm.

Notehand was dropped due to a small demand. Mr. Stomm, head of the Business Department, said, "Since business courses are electives, the class sizes are somewhat smaller." New courses the department hopes to offer include business English and communications, word processing, and business math.

Social Studies Department welcomed a new teacher, Mr. David Carrington, who taught eighth grade history classes.

Mr. Paul Johnston's senior government classes took a field trip to Indianapolis to tour the state capitol and other spots of interest.

In Mr. Bob Novy's seventh grade geography class students worked on fictional map projects in which they created a map for an imaginary country and included size, population, and land use.

In the Special Education Department, Mrs. Becky Fekete's class kept busy as usual. Mrs. Fekete said, "We won first place in the State Special Olympics cross country race in Indianapolis. We participated in bowling, Winter Fun Day, swimming, and track for Special Olympics."

The class took a field trip to Pokagon State Park to meet the students coming into the class next year.

Seventeen students were enrolled in the Special Education resource room program. Of these, five students were totally mainstreamed into regular courses, while the others received extensive resource room support from Mr. Tom Robinson.

Guidance Department's major project was organizing the ISTEP testing program for eighth graders, freshmen, and juniors Also a new form of the GED exam was given to all seniors at the end of the year to help establish state testing norms.

Sixth grade orientation had a new twist. Junior high counselor Mrs. Becky Derrow interviewed seventh grade teachers, while Mr. Bob Novy videotaped the interviews. The tapes were then shown to sixth grade classes to acquaint them with staff members and their expectations of seventh graders.

Mr. George Pearson directed summer school activities. Along with the usual course offerings, ISTEP remediation classes and seventh grade enrichment program were provided.

Varsity football, CC post losing seasons

GHS varsity football squad came on strong in their first game against Fairfield winning 35-14 and were just as tough the second game defeating Lakeland 17-14. But as the third game ended in defeat, so went the season.

Coach Rick Kirkton commented, "We were disappointed. We thought we could win more than two games. We expected the record to be 7-2, not 2-7. I don't like to lose. Even though we didn't win a lot of games, we played well and were competitive. We were a good team in spite of our record."

Butch Johnson and Todd Sattison were named to the All-NECC first team at quarterback and offensive end respectively. All-NECC honorable mention went to Brian Vanderbosch, Chad Wood, and Matt Warstler. Johnson and Sattison were also named to the Evening Star-News Sun All Area first team and teammates Vanderbosch, Wartstler, Wood, and Brian Cook were given honorable mention in that listing. Johnson and Warstler were named to the Academic All-State Class 2A first team. Johnson, Sattison, and Warstler earned the Bloomington Herald-Telephone's SmAll-State honorable mention.

Garrett's varsity cross country runners finished the season 3-11. Their best competition was the West Noble Invitational where they finished 21st among 24 squads.

In their first year of competition Garrett girls' cross country team participated only in two invitationals. At the West Noble Invitational they placed 11th out of 21, and at the Snider classic the girls came in seventh out of 12.

Railroader squads were led by sophomore Eric Baker and senior Tammy Bodey, whose personal best times were 17:02 and 15:50 respectively.

Tammy, Garrett's only sectional survivor with an eighth place finish, went on to place 30th at the Manchester Regional.

Coach Bob Novy stated about the girls' team, "I was very happy to work with these ladies. I hope that more girls will get involved in 1988."

Bodey qualifies for state meet

Varsity girls' track team completed the season with a 3-12 record. Leading scorers were senior Tammy Bodey with 241 points and sophomore Nicole Summers with 169.

Bodey placed second in both 1600m and 3200m runs during sectional competition, qualifying for regionals. There she placed third in 1600m, and fifth in 3200m. Advancing to state, Tammy placed 14th in 1600m, and 20th in 3200m. Coach Cheryl Peters said, "She did pretty well. We were very proud of her performance."

"Varsity boys' track team had 21 members. With only two seniors, the team was on the young side. Senior Dean Weimer broke his ankle and was unable to participate throughout the season," coach Joe Mahnesmith explained.

"Spirit and determination to be competitive among team members were high; there just weren't enough participants. Hopefully we will be able to use this season as a growing experience and improve for next year," he added.

Sectional qualifiers were Brett Cramer, Eric Baker, Phil Haynes, and Buddy Gunion.

All cheerleaders do well at camp

Garrett High School cheerleaders began their season with cheerleading camp at Miama University campus in Oxford, Ohio, July 21-24.

Despite the miserably hot, muggy weather, cheerleaders managed to learn the cheers, chants, and sideline dances they were taught. Each Garrett squad received a spirit stick on the last day of camp. Both the varsity and reserve squads were awarded three blues and one red, plus an additional blue for the home routine they choreographed. Freshman squad earned two blues and two reds for the evaluations at camp.

Area merchants donated miniature basketballs, footballs, and megaphones which cheerleaders tossed into the stands for Railroaders basketball and football fans to keep as souvenirs. Varsity cheerleaders also purchased new uniforms with profits from selling shakers and sweatshirts.

High school cheerleaders sponsored a cheerleading clinic Feb. 22-24 for grades 1-6. Participants learned chants, a cheer, and a sideline dance. Each day two girls from each grade received spirit ribbons. They were judged on how well they learned the material and their spirit that day. At the end of the clinic 13 girls were chosen to cheer with varsity, reserve, and the freshman squads at the last home basketball game.

At the end of the year, cheerleading sponsor Becky Blotkamp said, "All in all the girls were fun to work with when they had positive attitudes. Even though things were tough at times, we all seemed to make it through another season of cheerleading."

3 seniors lead Poms in successful season

Sidetracker Poms began their season in March 1987 as the 14-member squad selected seniors Bobbie Coyer, Kelly Lampe, and Julie Wells as tri-captains.

Fundraising paid for a summer trip to pom camp at Valaparaiso University. Hours of practice and energy were spent learning routines to take home. Julie Wells was elected as a celebrity nominee.

The new school year brought a change in sponsors. Mrs. Beth Clauss replaced the resigning Miss Kathy Feagler and co-sponsored the squad with Mrs. Cindy Feagler.

The 1987-88 Railettes also had a busy year providing concessions to fans at football, volleyball, basketball, and wrestling games. At season's end, athletic director John Hutton treated the girls to dinner at the Hatchery in Angola.

Under the direction of Mrs. Pat Blotkamp, Pep Club continued to spread school spirit during varsity football and basketball seasons.

Under the leadership of president Beth Boltz, vice-president Julie Wells, secretary Lana Dills, and treasurer Lisa Woehnker, Pep Club members made signs and decorated halls before games.

To raise money, members sold signs with the logo "Railroader Fan on Board" for $2. With the profit Pep Club members were treated to a meal at Pizza Hut.

Student Council had a busy year beginning with football homecoming and flower sales. A regional convention and spirit week were next in line.

In December Student Council sponsored the annual Christmas canned food drive. Preparations were then made for basketball homecoming nominations, voting, flower sales, and spirit week.

In the spring a blood drive and a voter registration drive took place.

An all-school candy fund raiser provided money which "goes into a fund that benefits all students," explained sponsor Mr. Paul Johnston.

Little 500 was the last major event of the year, as Student Council members scrambled around to get everything ready for this big day of competition and fun in the sun.

TV covers SADD

Officers Chris Hedges, president; Gary Gorrell, vice-president; Scott Carr, secretary; and John Jones, treasurer; led 175 members of SADD through the organization's busiest year since its founding at Garrett.

SADD sponsored a "Black Tie Day" in which members wore a black tie to remind people that an alcohol-related accident happens every 20 minutes. SADD also participated in Operation Prom. In response to a promise to celebrate sober, students' names were entered in a drawing for prizes which were awarded at the prom and breakfast afterwards. In conjunction with Operation Prom, SADD displayed a wrecked automobile involved in an alcohol-related accident. The car and SADD members were featured on two TV news programs.

Language clubs raise funds

Spanish Club's 33 members had an active year beginning with induction of new members in the fall. Initiates were challenged to see who could eat a (hot pepper-filled) marshmallow and whistle first. Also initiates were asked to wear homemade ponchos to school. Those who failed to do this were made "slaves" of Spanish Club officers for a day.

Officers were Mark Claxton, president; Ron Sarrazine, vice-president; Tina Carlin, secretary; and Lori Hunter, treasurer.

In November Spanish Club sold fudge and carmel corn. Profits were spent on toys and games valued at $100 for the Christmas Bureau and 10 Spanish/English dictionaries for classroom use.

Other fundraisers included a dance co-sponsored with Spanish Honor Society and a nacho booth at Little 500.

The year was concluded with a spring banquet at Dos Amigos in Fort Wayne chaperoned by sponsor, Mrs. Shirley Wallace, and parents, Mrs. Mary Carlin and Mrs. Kathy Lemper.

Spanish Honor Society was led by officers Butch Johnson, president; Dyane Quinn, vice-president; and Gary Gorrell, secretary-treasurer.

Eight new members inducted in a Spanish-spoken ceremony brought total membership to 14.

The sale of old fashioned candy sticks and cookie bits in April and freezer pops at Little 500 provided funds for a year-end breakfast at Azar's and the purchase of red and gold tassels for outgoing senior members.

Twenty-four German Club members enjoyed field trips to a German store in Elkhart, and a German restaurant in Huntington.

Selling candy, brat sandwiches, and pop at Little 500 paid for games for the classroom and awards for top German students.

Officers were Matt Likes, president; Shane Bowen, vice-president; Eric Baker, secretary; Amanda Short, treasurer; and Melanie Burlage, sergeant-at-arms.

Making It HAPPEN

As another year goes by, another yearbook is produced. Students, staff, administrators, parents, and other people in the community worked together creating pleasant memories of 1988.

I extend my deepest gratitude to senior Heidi Knott for endsheet, division page, and page tab artwork, junior Ed Placencia for his drawings on the Current Events spread, eighth grader Amanda Steward and junior Lori Hunter for their assistance with the index, the Auburn *Evening Star* for photos used in our sports section, and Herff Jones representative Fred Henderson for the cover design and other suggestions and ideas helpful in completing this book.

A special thanks goes to everyone who purchased an *Aeolian* and our community and surrounding area businesses who supported our yearbook by purchasing ads.

To these people and many others who helped put it all together, thank you for "Making It Happen!"
